

Thank you for your support and prayers!

Year End Campaign: The WCFS HERITAGE FUND

Campaign Goal— \$50,000

“Children are a heritage of the Lord.” (Psalm 127:3) This verse is at the heart of our year end giving campaign: *the WCFS Heritage Fund*. We praise God for His financial sustainment through the last 40 years and for the opportunities He’s given us to help people Treasure God’s Design for their families, including those facing uncertain financial times. Our *Heritage Fund* will reserve funds for needs such as our student scholarships program as well as logistical and physical needs of the ministry. When generous givers like you come alongside WCFS, more families receive hope, and more children build their lives on the firm foundation of the Word of God.

You can impact the next generation for Christ with a gift to the *Heritage Fund!* Our prayer is to raise \$50,000 for this fund by the end of the year. Please prayerfully consider giving today. No matter the size of your donation, your gift will positively impact WCFS families. Thank you for your generosity!

Thank you for your support and prayers!
